

Please do not allow LPFM stations to take priority over the current FM translator services. K Love, a cristian broadcasting station, is very important to those who listen on a daily basis. It offers wholesome values, positive and uplifting music in the world where we are constantly bombarded with negativity and discouraging news and information. It's a blessing to have the freedom of financially supporting and listening to K Love. We need to be uplifted everyday, and to be encourage to keep pressing on to do the good in our communities in order to make this world a better place in which to live. Many more prople within our communities are turning their lives toward God and it would be a shame and a discouragement knowing that we can not turn on the radio to hear the word of God in song. Thank You for your time and have a blessed day. Sincerely Yours, Gina Alonzi
